### Information for applicants

**New students are accepted into vacant places.** The number varies each year depending on the instrument and the students' home municipalities.

### Instrument demonstrations and trials

If you haven't decided on an instrument yet, we highly recommend attending our demonstration and trial events (see details below). These sessions give you the opportunity to try out different instruments under the guidance of our teachers.

You can also explore your options on our website and watch our instrument demonstration videos [here](#). In addition to the events listed below, we organize numerous concerts featuring performances by children and young people. Check-out our [event calendar](#). All events have free admission unless otherwise stated.
